Motu Rum (USA; Branded Spirits USA, San Francisco, CA). Motu Rum has been served to royalty. It is also acceptable to serve to the masses. Motu Rum is gold rum. It was built to be enjoyed on its own or in a great cocktail. Mai Tais are nice, but the best way to enjoy Motu Rum is in a Dark & Stormy. To make one, a person needs ice, ginger beer and a couple ounces of Motu. The result is a multi-layered beverage that is a real character. Consume it like a reasonable person.
